Possible RR crossing north of our range – Committee appointed (Wally Marshall, Kyle Schliem, Paul Shuler, Joe Peake.) Article originated from the Janesville Gazette. This is a toll railroad. Beloit Township voted against this, also noted a Native American burial ground that was donated to Ho Chunk tribe. No proposals are shown at this time. Eminent domain is the issue due to utilities to be installed. Nothing is ruled upon as of this date. Any motions filed, we have 35 days to file an objection. The article also cannot be substantiated.
