Multi gun - Kyle Schliem	Last match had 12 shooters. Are done for this year.
NRA Instruction / Youth – Tom Helbig	1.) Tom discussed the youth shoot scheduled for May 13 th . All clubs are in for the event. Ammo is an issue. He thinks he may have a wholesale place to buy ammo for fair amount. Oscar Meyer is shut down so we need to figure out what we want for food this year. 2.) The USMC shoot is in question. Heritage Shooting is no longer putting this event together. He contacted the board at Heritage and after consideration they will not loan out their AR-15's that we have used previously. a. It would take 11 AR-15's & magazines to do this event. b. We would need to supply ammo for this event. We had 130 Poolies shoot 25 rounds each last year. That comes to 3250 rounds of 5.56 ammo. We are too late to apply for a grant for an event next year. In general, the club wants to continue the event.
